CHEAP CLEARANCE LIST
OF
COINS, PAPER MONEY, ETC.

FOR SALE BY CHAS. STEIGERWALT,
130 East King St., Lancaster, Pa.

No. 29.

ESTABLISHED 1878.

MARCH, 1892.

NOTE.

No discount from prices in this list on any coins, no matter how large the quantity purchased. The rates are too low to pay shipping expenses, which must be borne by the purchaser.

It is customary in some lines of business to clear stock at certain seasons of the year at any sacrifice. While coins are in no danger of spoiling or going out of fashion, it is sometimes good business policy to clear slow-moving goods, or where they have accumulated in quantities. This line is therefore offered at a sacrifice, that the amount of their value may be expended elsewhere.

HARD TIMES TOKENS.

Hard Times Tokens. Some 12 to 15 years ago, John W. Haseltine commenced the accumulation of Hard Times Tokens, which at that time were neglected, with a view to examination for varieties and publication of a pamphlet on them. This work never appeared, but his 82d sale, Nov. 6-7, 1884, contains full list of his 125 Nos.—see also the Type Table Catalogue. Low's work did not include all of Haseltine's No's. After examination Mr. H. took out from his stock the poorer specimens, and good specimens where he had quantities, disposing of thousands at his sales, 1880-1885, intending to retain the best until the last; but when his stock was sold at sheriff's sale in 1885 the entire lot of tokens was sold as one lot. Since that time a few have been picked out, not the best, but as needed to fill sets, but the great bulk remain and are here offered. The value of the lot may be inferred from the fact that it contains 30 Loco Focos in nice condition and many others equally scarce in quantities. All are arranged per Haseltine Nos. About 100 were mixed together by accident, but the balance is arranged as stated. 1138 pieces. 50.00.
